Searching for companies by industry in Osiris

1. On the Osiris home screen click on 'Industry' in the menu, there are 5 ways you can search for industry type, you can use any of them but this guide will cover searching via the 'Industry classifications' option as highlighted below:

2. Select the industry or industries you want for the results (it will then appear in the box on the right) & click Ok:

3. It will take you back to the home screen and your search will be at the bottom of the screen:

4. Click on View list of results to see the list of companies.

If you want to refine your search by using another field you can do this by selecting them from the menu on the home screen.
