Searching for companies by location in Osiris

1. On the Osiris home screen click on 'Location' as highlighted below:

![Osiris home screen with Location highlighted](image)

2. Select the region or country you want for the results & click Ok:

![Selecting region or country](image)

3. It will take you back to the home screen and your search will be at the bottom of the screen:

![Search results at the bottom of the screen](image)

4. Click on View list of results to see the list of companies.

If you want to refine your search by using another field you can do this by selecting them from the menu on the home screen.
